

THE PRESENCE

VISION DETAILS

GOD'S PRESENCE IS ALL AROUND

THE SYNOPSIS (LONG)

The Presence is a ground-breaking television show that started with a vision to *Glorify the Father, Honor the Son, and Live in the Presence*. Hosted by author, Jason Clark and worship leader and musical artist, Sallie Mosely, *The Presence* goes all over the world to seek out people who are living their daily lives in The Presence of God. We want to capture their stories about the power of living in His Presence and find out what that looks like and how it works in a practical way. We want to debunk the myth that living daily in His Presence is only for people in extreme circumstances; instead, it is for all of us. We all have access on a daily basis to His Presence living and moving in our lives. We have a promise that as we become sure in His Presence, others will see that within us and respond to it. *The Presence* is on a mission to help our brothers and sisters in Christ embrace that promise and change the world around them.

THE SYNOPSIS (SHORT)

The Presence is a television show that travels all over the world to interview people who are living their daily lives in The Presence of God and find out what that looks like and how all of us can achieve it.

A NOTE FROM THE EXECUTIVE PRODUCERS

JOHN WHITE: EXECUTIVE PRODUCER

At age 22, I was saved in a little church called Rock Hill Baptist. Just before this, I was in the submarine force of the US Navy and basically was a wild Indian. My salvation experience was like a Damascus experience; I was blasted by the Holy Spirit & Jesus. However, it was not long before the enemy got in and separated me from the church. On two occasions, elders in the church used legalistic methods with me concerning minor issues and at the same time all my friends were saying that this Jesus stuff was just a waste of time. I was not being disciplined in that church and did not understand anything about how to act like a Christian.

Even while still in the honeymoon period of salvation, I walked away from the church and did not go back for 10 years until I met my wife Heidi. Together we experienced a spirit led life in a little charismatic church in Ohio; this is where I was baptized in the Spirit. I attribute this change to the way Pastor Dick led and disciplined his flock.

Over 30 years Heidi and I have worked together in an effort to serve the Lord and help others along the way. However, something was still not right with me even during while doing that ministry. I carried an ongoing anger that manifested in the way I treated my wife and others at times. In 2008 right after our daughter's marriage, Heidi and I were on the verge of a divorce. The Lord had other plans. Through some dear friends, Larry and Carole Arendas, I received deliverance prayer and on August 25, 2009, the Lord actually gave me a new spiritual heart that finally healed me of decades of anger and separation. The anger left; my love for my wife increased, and my discernment on how to hear from the Lord became more and more in my daily life. Right now Heidi and I are completing our journey as we follow the Lord's leading to help others to be healed and walking powerfully led by The Presence.

HEIDI WHITE: EXECUTIVE PRODUCER

It is my distinct privilege to participate in this series endeavoring to bring you into The Presence of God. At the age of 10, I came to the Lord and His Presence has been the central strength of my life. His Presence has guided me in life and love, in good as well as bad times, for more than forty years. Through our 32 years of marriage, Jesus has guided my husband and me as we raised our daughter. [She is now a worship leader in her thirties, married and has two beautiful daughters.]

Although life has not always been easy, living in His Presence is always the best life anyone could experience on this planet. Knowing that I am never alone is a comfort that goes beyond words. I look forward to the day I see Him face to face and continue with Him for all eternity, while not losing the loves of this life.

I pray you come to know Him as the "lover of your soul" as I have. He calls you and me precious, honored and loved. May you find Him to be as dear to you as you are to Him.

Chaplain Heidi White

God says to you,

"...You are precious and honored in my sight, and ...I love you."
